

Locum Gynecologic Oncologist Position at The Ottawa Hospital

Position: Locum Gynecologic Oncologist

Duration: November 4, 2024, to March 28, 2025

Location: The Ottawa Hospital, Ottawa, Ontario, Canada

About Us

The Division of Gynecologic Oncology at The Ottawa Hospital represents the Regional Gynecologic Oncology Program, providing comprehensive cancer care within the region. Our primary focus is a longitudinal model of care that encompasses multidisciplinary collaboration from screening and diagnosis to treatment and palliation. We are committed to delivering high-quality patient care, incorporating translational research, and participating in clinical trials.

Role and Responsibilities

As a locum Gynecologic Oncologist, you will:

- Provide comprehensive clinical care to gynecologic oncology patients.
- Collaborate with a team of five gynecologic oncologists, two subspecialty fellows, dedicated physician assistant and a comprehensive multidisciplinary team.
- Engage in undergraduate and post-graduate teaching programs.

Qualifications

- The qualified applicants should be certified (or eligible for certification) by the RCPSC in Gynecologic Oncology
- Hold an MD degree, be licensed (or eligible for licensure) in the Province of Ontario.

Application Process

Interested candidates should submit their CV and references to Dr. Sarah Sinasac at ssinasac@toh.ca. Please don't hesitate to reach out for additional information or inquiries.
